## “Triumphant in Christ” BBC Theme for 2012

*“Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place.” 2 Corinthians 2:14* This is

our theme for the coming year here at Bible Baptist Church. Back in July as I was reading this passage, the Holy Spirit made it crystal clear that this was to be our theme. Everyone likes to be triumphant or victorious. Winning isn’t everything, but it sure beats losing. As a believer in Christ, we find that we can be triumphant through our Lord Jesus Christ. Victory is not secure because of our personality, talents, or achievements, but only through Christ. Over the next few Sunday mornings I will be preaching on this Special Theme.

- \* Triumphant in Christ
- \* Triumphant By Trusting
- \* Triumphant By Truth
- \* Triumphant Over Temptation
- \* Triumphant In Tragedy

Let 2012 be a year of triumph in your life by the power of Christ. Defeat and loss at the hands of Satan and sin must not be the norm of the life of the believer in Christ. Those habits and practices that bring us away from Christ ought to fade from our lives as we follow the Lord and seek to find our triumph in Him.

As you read the Beacon, you will see that there are many wonderful events going on these next few months. This is an exciting place to be. I hope and pray that 2012 will be a great year for you in your walk with the Lord. May God bless you!

For Him,

*Pastor*

# STUDENT MINISTRY INFO

The command of Jesus to go and make disciples has been pressing on my lately. I would love for 2012 to be a year of making disciples. Training people to follow Christ, who can train others also. A disciple can be defined as one who embraces and assists in spreading the teachings of another. I don't need disciples and Pastor Campbell doesn't need disciples. But the teachings of the Word of God are worth adhering to. We know that following and obeying His Word is important, but I want to be a guide and a help to making disciples. This year I am committed to reaching out to individuals who will in turn hopefully reach others for the sake of the Gospel. We were told in the great commission to go make disciples, and so we should go.
